INTERACTIVE CRAFT BOOK

- Included with each parade-related merchandise sold will be an interactive craft book showcasing the instruments used throughout the parade and how they were sourced and created from everyday goods.
- Step-by-step crafting projects will express how normally disposed items can be made into musical instruments.

- A scavenger hunt for the items required to craft maracas will be available at the end of the book. Guests with any empty bottle can locate outdoor food vendors to acquire popcorn kernels. Guests then can participate in the parade with no purchase necessary.
